

## Guideline to register for upcoming FSEM CPD Events

This is just a reminder that we have up-dated our FSEM platform with a new functionality in relation to CPD events' registration.

**Please follow registration guidelines as per categories below:**

• **FSEM Fellows/Members/Associate Members**

Please register by using your login details for the FSEM Portal, as you are now required to login to register for all CPD events run by the Faculty. If you have an issue with your p/word please contact me directly and I will change this for you.

• **All other delegates (non-affiliated with FSEM)**

Please create an account first for the portal. Once your account is set up, you can then login to register for all CPD events run by the Faculty. Ideally you will keep the same p/word so that you can continue to register with ease, to attend our CPD events. However if you have an issue with your p/word, just let me directly and I will change it for you.

For further information please contact Faculty office at [sportsfac@rcsi.ie](mailto:sportsfac@rcsi.ie) or Annemarie on [annemariecreighton@rcsi.com](mailto:annemariecreighton@rcsi.com) or on 01 402 2382.
